### Other Notes

Tlii's parents are both priests of Solonor, the olven god of archery. Always the dutiful daughter, Tlii joined their religion when she came of age, and has excelled in all areas.

A keen archer, she has sworn to wipe the gnolls from the island, but is more troubled by the growing number of undead being discovered in the region. She fears that a gnoll shaman may be disturbing an olven burial ground, and animating the bodies it finds there for an evil purpose...
